About the Practice

Bright Smile Dental is a family and cosmetic dental practice with two locations in Montgomery County, Maryland. Our Bethesda office is our flagship location and is open Saturdays from 8:00 AM to 1:00 PM for patients who can't make it in during the week. Our Rockville office serves the north county area on weekdays. New patients are welcome at both locations.

Insurance

We are in-network with: Delta Dental PPO, Cigna DPPO, MetLife PDP, Aetna Dental PPO, Guardian, and United Concordia. We do not accept Medicaid or HMO plans. For out-of-network plans, we provide a superbill patients can submit for reimbursement. We offer an in-house membership plan at $29/month that covers two cleanings, exams, and X-rays per year plus 15% off other treatment.

Services and Typical Pricing

Service	Typical price range
New patient exam + X-rays + cleaning	$149 new patient special (regularly $310)
Routine cleaning (existing patients)	$120 – $160
Fillings (composite)	$210 – $380 per tooth
Crowns	$1,100 – $1,500
Teeth whitening (in-office)	$399
Invisalign	$3,800 – $5,500 (free consultation)
Dental implants	From $3,900 per tooth (consultation required)
Emergency exam	$95 (applied to treatment if done same day)

All prices are estimates before insurance. Final cost depends on the treatment plan.

New Patient Process

- Book by phone at (301) 555-0148 or request an appointment through the website or chatbot.
- We collect name, phone, email, reason for visit, and preferred location, then the front desk calls within one business day to schedule.
- Bring a photo ID, your insurance card, and a list of current medications to your first visit.
- Arrive 15 minutes early to complete intake forms, or complete them online in advance.

Emergencies and Medical Questions

- Dental emergencies during office hours: call (301) 555-0148 and we will fit you in the same day when possible.
- After hours: existing patients can call the same number for the on-call dentist. Severe swelling, uncontrolled bleeding, or trauma should go to the nearest emergency room.
- The chatbot must not give medical or dental treatment advice. Direct all symptom and medication questions to the office.
